

Membina usaha mikro, kecil, dan menengah berbasis arsip

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20407006&lokasi=lokal>

Abstrak

Archives and documents are an enegyzed symbol, such as collection of letters or letter containing a sense and have value of future benefit for SMEs, SMEs letter archieving and output objects. SMEs must conduct regular documentation and make up grade at any time.

The role of archives is very important for SMEs, for that we have to do campaigns thet archive is brain energy for MSMEs, and also archive is a report for external parties particularly for banks.
