

Politik hukum amandemen UUD 1945 dan sistem pemerintahan

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20407029&lokasi=lokal>

Abstrak

Normatively the amandement of Indonesian Constitution 1945 implemented pure presidential system. However, the system is not compatible with the multy parties system which is viable based on the amandement. Thus, to maintain the presidential system, it needs further regulations in the form of Act concerns to more simple party system to support presidential system.
