

Investment and tax issues in the mining industry

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20407154&lokasi=lokal>

Abstrak

In most respects, Indonesia has been quite successful under its system of Contract of Work, nevertheless it seems that there are still some inappropriate matters within CoW. This paper observes on CoW. It is hoped that it can reveal issues for input to formulate next CoW.
