Abstrak

The Indonesia life in practice feels incomplete without the words intolerance, injustice and poverty. These three factors are the primary factors of the failure of a country. This paper was written to discuss these three issues and to provide practical solutions that can be practiced to make a better Indonesia. Intolerance, injustice, and poverty continue happen without having a solution to the root of the causes. Thus, to date there are still news shoots growing day today. Therefore, the author will present the solution in the form of renewal steps to fix the cracks in the nation's pillars, which later in this paper will called GAPIPESA (tiga pilar penopang bangsa).
