

Agenda setting dan peranan pers

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20407754&lokasi=lokal>

Abstrak

Indonesian society in this reform era want the open political system, so likewise with national process system. Press hoped to refer on public agenda where the source of information is so variation which could be mass media coverage matter. With like this press work mechanism, hoped that press become an effective agent of social control in to raise imbalances happened.
