Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20409340&lokasi=lokal>

Abstrak

The mechanism procedure of establishing by laws is the same act and the position of by law is equal with the act, in the sense that bylaws and act are legislative products. However the content of by laws is different with the act. The implementation of by laws is limited to a certain registration, otherwise the act is in the national level. Thus the hierarchy of law is lower than the act.
