Abstrak

Skripsi ini membahas mengenai perbandingan kurator di Indonesia dan trustee di Amerika Serikat. Metode penelitian yang digunakan oleh skripsi ini adalah yuridis normatif, yang bersifat eksplanatoris deskriptif. Skripsi ini mengangkat tema perbandingan antara kurator kepailitan di Indonesia dan trustee di Amerika Serikat untuk melihat adanya persamaan serta perbedaan antara eksekutor kepailitan di dua negara tersebut. Pembahasan akan lebih mengarah pada tugas dan wewenang, kelembagaan, serta tanggung jawab dari kurator kepailitan serta bankruptcy trustee. Hasil dari penelitian ini adalah terdapat banyak persamaan dari kurator kepailitan di Indonesia dan di Amerika Serikat. Namun, selain dari persamaan tersebut, terdapat pula perbedaan antara kurator Indonesia dengan Amerika Serikat.

.....This thesis discusses the comparative studies between trustee in Indonesia and the trustee in the United States. The method used by this thesis is juridical normative, descriptive explanatory nature. This thesis theme is a comparison between the bankruptcy trustee in Indonesia and in the United States to see the similarities and differences between the executor of bankruptcy in the two countries. The discussion will be led to the duty and authority, institutional, as well as the responsibility of the bankruptcy trustee in Indonesia and in United States. The results from this study is that there are lots of similarities from bankruptcy trustee in Indonesia and in the United States. However, apart from the equation, there are also differences between the trustee in Indonesia with in the United States.
