Kisah mengenai Shinsengumi telah banyak diangkat menjadi produk-produk budaya populer seperti: novel, film, komik, animasi, game, drama audio dan lain-lain. Adaptasi kisah Shinsengumi mengalami banyak proses romantisasi, komersialisasi dan erotisasi. Di tengah-tengah maraknya produk budaya populer Jepang yang mengangkat tokoh-tokoh laki-laki yang lebih lembut dan feminin sehingga turut merubah nilai-nilai maskulinitas yang ada di Jepang saat ini, Drama Audio Shinsengumi Mokuhiroku Wasurenagusa memunculkan tokoh-tokoh yang mengangkat kembali maskulinitas hegemonik yang sempat menjadi standar maskulinitas di Jepang.
