[Tesis ini bertujuan untuk melakukan analisa terhadap perlindungan hukum Pihak Ketiga akibat putusan pailit yang dalam Undang-Undang Nomor 37 Tahun 2004 Tentang Kepailitan dan Penundaan Kewajiban Pembayaran Utang, dimana hal tersebut dibahas salah satunya di penjelasan Pasal 3 ayat (1) UUKPKPU tentang “hal lain-lain”. Tesis ini menggunakan metode analisa terhadap gugatan Pihak Ketiga kepada Kurator dengan berbagai dasar gugatan, yang meliputi : Pertama (1) Pihak Ketiga dalam Kasus kepailitan PT Panca Wiratama Sakti Tbk (Dalam Pailit) mengenai sewa menyewa tanah. Kedua (2) Pihak Ketiga dalam Kasus kepailitan PT Mitra Safir Sejahtera (Dalam Pailit), mengenai sertifikat tanah. Ketiga (3), Pihak Ketiga dalam Kasus kepailitan PT Bendi Oetama Raya (Dalam Pailit), mengenai kepemilikan tanah yang telah dijaminkan Hak Tanggungan. Keempat (4), Pihak Ketiga dalam Kasus kepailitan PT Sinar Central Rejeki (Dalam Pailit), mengenai sebagian tanah dan bangunan. Kelima (5), Pihak Ketiga dalam Kasus kepailitan PT Surabaya Agung Industri Pulp & Kertas (Dalam Pailit), mengenai jual beli barang yang dilakukan oleh Debitor Pailit. Hasil penelitian diperoleh kesimpulan bahwa Undang-Undang Nomor 37 Tahun 2004 Tentang Kepailitan dan Penundaan Kewajiban Pembayaran Utang ternyata belum mampu menyelesaikan permasalahan kepailitan karena masih ada pihak yang mengajukan gugatan atas harta pailit Debitor Pailit. Hak dan kewajiban Pihak Ketiga yang diatur diluar maupun didalam UUKPKPU belum cukup melindungi segala hak-haknya, terlebih dalam kasus kepailitan karena banyaknya dampak yang terjadi setelah Debitor dinyatakan pailit oleh Pengadilan Niaga. Hal ini tidak cukup menyelesaikan permasalahan mengenai adanya perikatan yang dilakukan Pihak Ketiga dan Debitor Pailit sehingga diperlukannya peraturan perundang-undangan yang mendukung Undang-Undang Nomor 37 Tahun 2004 Tentang Kepailitan dan Penundaan Kewajiban Pembayaran Utang yang mana bertujuan untuk pemberesan harta pailit Debitor Pailit; This Research purpose is to analyze legal protection for Third Party as a consequence of insolvency verdict on Statute number 37 year 2004 on Indonesia Bankruptcy Law (“UUKPKPU”), whereas it was covered on explanation of clause 3 paragraph (1) regarding “Other matters”. This research use analyzing method on several Third Party lawsuit to the Curator with variety of basis for the lawsuit, that includes : First (1) Third Party Vs PT Panca Wiratama Sakti Tbk (Bankrupt) Bankruptcy case, regarding land lease.
