[ABSTRAK

Indonesia sebagai salah satu negara anggota ASEAN, memiliki prioritas yang jelas dalam upaya peningkatan hubungan dan politik luar negerinya. ASEAN terus berupaya mengembangkan tingkat perekonomian serta stabilitas keamanan regional melalui Komunitas ASEAN 2015, salah satunya adalah ASEAN Political-Security Community (APSC) yang bertujuan untuk meningkatkan kerjasama politik dan keamanan diantara anggota ASEAN. Melihat kondisi keamanan kawasan saat ini, diperlukan langkah proaktif untuk menyikapi masalah keamanan di kawasan Asia Tenggara. Dengan memanfaatkan fungsi APSC, Indonesia berpeluang untuk meredakan konflik di kawasan Asia Tenggara melalui penguatan intelligence sharing diantara negara anggota ASEAN. Penelitian ini berupaya menunjukkan implementasi konsep intelligence sharing dan konsep security community untuk menjelaskan pembangunan kawasan yang stabil melalui cara-cara damai sehingga aspek mutual trust dan collective identity di Asia Tenggara terpenuhi.
