[**ABSTRAK**]

Tesis ini membahas pelaksanaan program penanggulangan kemiskinan melalui Bedah Kampung pada kampung Sumberan dan kampung Lemah Abang kelurahan Warung Jaud serta melihat penghambat serta pendukung yang ditemukan dalam pelaksanaannya. Penelitian ini adalah penelitian kualitatif dengan desain deskriptif. Hasil penelitian menunjukkan, pelaksanaan Bedah Kampung di kampung Sumberan dan kampung Lemah Abang menggunakan tahapan pada buku pedoman pelaksanaan Bedah Kampung Kementerian Sosial. Dalam pelaksanaannya ditemukan faktor penghambat kurangnya pendampingan kepada penerima bantuan sehingga hasil yang diperoleh tidak maksimal. Faktor pendukung dalam pelaksanaan selain partisipasi masyarakat yang baik juga dukungan dari pemerintah daerah sehingga pelaksanaan kegiatan Bedah kampung bisa selesai sesuai jadwal.
