Penelitian ini menggunakan metode sejarah dengan pendekatan metodologi sejarah deskriptif-narratif. Berdasarkan penelusuran berbagai sumber dan interpretasi atas sumber-sumber tersebut ditemukan bahwa gerakan INSISTS memiliki kekhasan antara lain: (1) pemikirannya lebih mendalam dalam merespon pemikiran Islam Liberal dengan mengadopsi teori Islamisasi Ilmu Pengetahuan Kontemporer yang diperkenalkan oleh Syed Muhammad Naquib Al-Attas di ISTAC-IIU Malaysia (2) gerakannya lebih mengedepankan gerakan ilmiah dengan menerbitkan jurnal, artikel koran, buku-buku, dan mendirikan kelas-kelas pascasarjana dengan pendekatan khusus bekerja sama dengan berbagai universitas yang telah ada sehingga INSISTS segera mendapatkan pengaruh cukup luas di kalangan para intelektual muda (3) membangun jejaring gerakan ilmiah di berbagai kota untuk memelihara gerakan ilmiah yang telah dicanangkan.
