[ABSTRAK

Laporan ini membahas proses penyusunan Anggaran Operasional Bank Indonesia Tahun 2013. Analisis dilakukan dengan mengacu pada regulasi Bank Indonesia dan teori yang berlaku. Berbeda dengan tahun sebelumnya, proses penyusunan Anggaran Operasional Tahun 2013 mengalami beberapa perubahan pada siklus Sistem Perencanaan, Anggaran, dan Manajemen Kinerja Bank Indonesia (SPAMK). Meskipun ditemukan dampak positif, hasil analisis menunjukkan bahwa perubahan tersebut berdampak negatif bagi proses penyusunan anggaran.

ABSTRACT

This report aims to describe the operational budgeting process of Bank Indonesia in 2013. The analysis was conducted through regulation of Bank Indonesia and the theory. In contrast to previous years, the operational budgeting process in 2013 has some changes in the cycle of System of Planning, Budgeting, and Performance Management of Bank Indonesia, called SPAMK. Although there is a positive effect, the analysis showed that these changes negatively affect the budgeting process., This report aims to describe the operational budgeting process of Bank Indonesia in 2013.
