Abstrak

[ABSTRAK
 Jurnal ini membahas mengenai prinsip Shi Shi Jiu Shi sebagai landasan kebijakan Gaige Kaifang.

Kebijakan Gaige Kaifang terdiri atas reformasi di berbagai sektor dan keputusan untuk membuka Tiongkok terhadap investasi asing serta melaksanakan ekonomi pasar. Meskipun keputusan ini mendapat banyak tentangan dari berbagai pihak, khususnya dari pendukung Mao, karena dianggap tidak sejalan dengan ideologi

sosialis yang dianut Tiongkok, Deng Xiaoping mengatakan bahwa kebijakan ini sangat diperlukan untuk mensukseskan Empat Modernisasi. Prinsip Shi Shi Jiu Shi yang merupakan salah satu bagian dari Mao Sixiang

digunakan Deng sebagai ?alat? untuk menguatkan keputusan yang diambilnya dan menghadapi tentangan dari

para pendukung Mao.<hr>

ABSTRACT
 This journal discussed about Seek From The Truth principle as a basis of Reforms and Open Door

Policy. Reforms and Open Door Policy consists of reforms in various sectors and the decision to open China to

foreign investment and to implement market economy system. Although this decision received much opposition

from various parties, especially from Mao?s supporters, because it is not in line with socialist ideology espoused

in China, Deng Xiaoping said that this policy is indispensable for the success of the Four Modernizations.

Seek

From The Truth principle, which is one poin of Mao Sixiang, used as a "tool" by Deng to support his decision

and facing opposition from Mao?s supporters.;This journal discussed about Seek From The Truth principle as a basis of Reforms and Open Door

Policy. Reforms and Open Door Policy consists of reforms in various sectors and the decision to open China to

foreign investment and to implement market economy system. Although this decision received much opposition

from various parties, especially from Mao?s supporters, because it is not in line with socialist ideology espoused
