Abstrak

[;Using close analysis of select campaigns, this book discusses the Ottoman Empire's changing internal military context, before addressing the modernized regimental organisation under Sultan Mahmud II after 1826. It is also a study of the decline of an international power, raising questions about the influence of culture on warfare., Using close analysis of select campaigns, this book discusses the Ottoman Empire's changing internal military context, before addressing the modernized regimental organisation under Sultan Mahmud II after 1826.
