[ABSTRAK

Pengenalan kembali ormas-ormas Islam ini menjadi penting agar para generasi muda lebih tertarik untuk mengukuhkan kembali peran-peran itu. Mengingat saat ini banyak ormas-ormas Islam yang memiliki nilai historis sangat penting bagi bangsa Indonesia tetapi seiring dengan perkembangan waktu mengalami kemunduran. Peran Ormas Islam sangat penting tidak hanya di awal-awal kemerdekaan tetapi terus berkembang hingga saat ini. Peran yang paling penting adalah keberadaan ormas sebagai soko guru penopang karakter bangsa Indonesia dan sebagai lahan persemaian bibit-bibit kepemimpinan bangsa. Ormas-ormas Islam yang dibahas dalam buku ini adalah ormas-ormas yang memiliki sejarah panjang di Indonesia.;The reintroduction of Islamic organizations is important in order that the younger generation of Indonesian Muslim to be more interested in reaffirming the significant roles of the mass Islamic organizations in Indonesia. Today many Islamic organizations that have historical roles in the past are very important for Indonesians but along with the experience of the decline of their roles today. In fact, Islamic organizations have showed their important role not only in the early days of independence, but they continue to grow until today . Their most important contribution is the existence of organizations as the pillar that support the character of the Indonesian nation and as a breeding ground seeds for the nation?s leadership. Mass organizations whic are discussed in this book are the Islamic organizations that have a long history in Indonesia;The reintroduction of Islamic organizations is important in order that the younger generation of Indonesian Muslim to be more interested in reaffirming the significant roles of the mass Islamic organizations in Indonesia.
