

Health care emergency management: principles and practice

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20418579&lokasi=lokal>

Abstrak

Recent research underscores a serious lack of preparedness among hospitals nationwide and a dearth of credible educational programs and resources for hospital emergency preparedness. As the only resource of its kind, Health Care Emergency Management: Principles and Practice specifically addresses hospital and health system preparedness in the face of a large-scale disaster or other emergency.
