

State-of-the-Art Vaginal Surgery

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20418725&lokasi=lokal>

Abstrak

The book State of the art Vaginal Surgery would be of immense value to postgraduate students and practicing gynecologists to keep themselves abreast of the latest advances in various surgical techniques performed vaginally. It is a multiauthor book and has chapters written by authors of national and international fame covering extensively various vaginal techniques. It has been divided into 9 sections covering surgical anatomy, instrumentation, operation theater set-up, and risk management. In a systematic manner, all the vaginal surgeries including hysterectomies, fistula repair and stress ur
