

Functional equations in mathematical analysis

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419269&lokasi=lokal>

Abstrak

This volume, dedicated to S. M. Ulam, presents the most recent results on the solution to Ulam stability problems for various classes of functional equations and inequalities. Comprised of invited contributions from notable researchers and experts, this volume presents several important types of functional equations and inequalities and their applications to problems in mathematical analysis, geometry, physics and applied mathematics.
