

Constitutionalism, legitimacy, and power: nineteenth-century experiences

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419666&lokasi=lokal>

Abstrak

Critically analysing nineteenth-century constitutions in tandem with the political and social circumstances of their creation, enactment, and stated objectives, this book explicitly counters any simplistic narratives asserting that constitutions offer a straightforward, law-based path to increasing democracy, equality and liberty.
