

Ketidak-harmonisan berbagai sub sistem dalam sistem pemerintahan di Indonesia : sebuah peta masalah

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420337&lokasi=lokal>

Abstrak

It is strongly believed that whatever shape and form of goverment of a nation state, does not really matter to society. For society, the important thing is the welfar. But also very believable, that the harmonious shape and form (compatible) between different elements in a system ...
