Abstrak

**[ABSTRAK
**

Penelitian ini membahas peran penonton sebuah variety show Korea Selatan, Running Man, sebagai salah satu medium diplomasi publik dalam membangun engagement publik asing dengan negara terebut. Beranjak dari paradigma konstruktivisme dengan pendekatan kualitatif, data penelitian ini diperoleh melalui wawancara mendalam. Penelitian ini menggunakan berbagai konsep engagement dan diplomasi publik untuk memperlihatkan pola aktivitas yang dilakukan partisipan. Hasil penelitian menunjukkan variety show memiliki peran membangun engagement publik dengan negara asing melalui tampilan produk-produk kebudayaan seperti kuliner, bahasa dan tempat wisata yang ditayangkan. Engagement partisipan kepada Korea terlihat dari antusiasme terhadap produk-produk Korea Selatan, dan menganggap produk-produk Korea bermanfaat untuk diri partisipan.
