Abstrak

[ABSTRAK
 Skripsi ini membahas mengenai pengaturan pembuatan perjanjian perkawinan setelah

perkawinan dilangsungkan dengan penetapan dari pengadilan ditinjau menurut Hukum Positif di Indonesia. Penulis meneliti permasalahan ini dengan menggunakan metode penelitian yuridis normatif, dimana penulis dalam melakukan penelitian mengacu pada aturan-aturan hukum yang berlaku di Indonesia untuk kemudian bisa menjawab permasalahan tersebut secara deskriptif analitis. Hasil dari penelitian menyarankan bahwa dalam memberikan penetapan terkait pembuatan perjanjian perkawinan setelah perkawinan dilangsungkan seharusnya Hakim mendasarkan penetapannya pada Hukum yang berlaku, sehingga dapat memberikan kepastian hukum.<hr>

ABSTRACT This bachelor thesis examines about disposition of prenuptial agreement construction

after marriage with sentence from the court according to Indonesia positive law. The author then examines these problems with juridicial normative research, which examined in reference to the Indonesia existing rules of law to then be able to answer this problem in a descriptive analytic. The result of this research suggests that when the judge give a sentence about disposition of prenuptial agreement construction after marriage, properly reference to the exisiting law until can give a law certainty.;This bachelor thesis examines about disposition of prenuptial agreement construction
