Abstrak

**ABSTRAK
**

Pengajuan penggantian UU No. 4 Tahun 1997 Tentang Penyandang Cacat dilakukan oleh Kelompok Kerja Koalisi Nasional Organisasi Penyandang Disabilitas (Pokja) atas dasar tidak relevannya lagi dengan amanah Convention on the Rights of Person with Disabilities (CRPD). Konsep kelompok kepentingan dan metode kualitatif digunakan sebagai pisau analisis untuk mendeskripsikan upayaupaya Pokja. Hasil penelitian ini menunjukan upaya-upaya tersebut antara lain, melakukan pertemuan dengan Organisasi Penyandang Disabilitas (OPD) di Indonesia, para ahli, dan organisasi lain; mencari keterkaitan pelaksana dan pembuat kebijakan dalam penggantian UU tersebut; menginformasikan tujuan mereka melalui media; mengajukan draft RUU serta melobi eksekutif dan legislatif.

**<hr><i>ABSTRACT
**

Filing replacement Law four of 1997 on People with Disabilities conducted by the Working Group of the National Coalition for Disability Organizations (Pokja). This filling is based on the irrelevance to the mandate of the Convention on the Rights of Person with Disabilities (CRPD). The concept of interest groups and qualitative methods of analysis were used as a tools to describe the efforts of Pokja. These research find that the efforts of Pokja, such as; meeting with the Disabled People's Organization (DPO) in Indonesia, experts, and other organizations; looking for linkages implementer and policy makers in the replacement of the law; informing Pokja goals through the media; proposing draft legislation and lobbying the executive and legislative.</i>
