## Abstrak

<b>ABSTRAK</b><br> Praktek Kerja Profesi di Puskesmas Kecamatan Palmerah dilaksanakan dengan tujuan untuk mengetahui dan memahami peran apoteker di Puskesmas, baik dalam bidang manajemen pengelolaan perbekalan farmasi maupun dalam hal pelayanan farmasi klinik. Peran apoteker dalam manajemen meliputi perencanaan, pengadaan, penerimaan, penyimpanan, pemusnahan, pengendalian, pencatatan dan pelaporan. Sedangkan pelayanan farmasi klinik meliputi pengkajian resep, dispensing, pelayanan informasi obat, dan konseling. Tugas khusus yang diberikan adalah mengenai pembuatan leaflet informasi obat untuk pasien dengan penyakit tidak menular seperti diabetes, asam urat, hipertensi, adn kolesterol. Leaflet berisi informasi obat dan tambahan informasi untuk pasien mengenai bagaimana cara mengendalikan penyakitnya. Leaflet ini dibuat untuk memberikan informasi kepada pasien mengenai pengobatannya dan mengedukasi pasien tentang pengobatan yang diterimanya sehingga diharapkan kualitas hidup pasien dapat meningkat.<b>ABSTRACT</b><b> Profession Internship at Puskesmas Kecamatan Palmerah was held to learn and understand the role of pharmacist in community health center, especially to manage a pharmacy and to deliver pharmaceutical care. Pharmacist has role to manage the pharmacy, such as planning, supplying, receipt, saving, annihilation, controlling, and reporting. On the other hand, pharmacist also has to deliver a pharmaceutical care, such as receipt assessment, dispensing, drug information, and patient counseling. Specific assignment that been given is making the leaflet for degenarative diseases patients such as diabetes, gout, hypertension, and hypercholesterol. The leaflet contains drugs information and how to manage the disease as well. As the conclusion, the leaflet was made to improve patients awareness about their disease and to educate patients about their medication, so that their quality of life can be increased.,</b>Profession Internship at Puskesmas Kecamatan Palmerah was held to learn and understand the role of pharmacist in community health center, especially to manage a pharmacy and to deliver pharmaceutical care.
