

A brief history of radio astronomy in the USSR : a collection of scientific essays / S.Y. Braude ...[et al.], editors

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20425407&lokasi=lokal>

Abstrak

This translation of A brief history of radio astronomy in the USSR makes descriptions of the antennas and instrumentation used in the USSR, the astronomical discoveries, as well as interesting personal backgrounds of many of the early key players in Soviet radio astronomy available in the English language for the first time. This book is a collection of memoirs recounting an interesting but largely still dark era of Soviet astronomy. The arrangement of the essays is determined primarily by the time when radio astronomy studies began at the institutions involved.
