

Beginning SQL Server 2012 for developers

Dewson, Robin, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20425503&lokasi=lokal>

Abstrak

Beginning SQL Server 2012 for Developers takes you through the entire database development process, from installing the software to creating a database to writing the code to connect to that database and move data in and out. By the end of the book, you'll be able to design and create solid and reliable database solutions using SQL Server 2012.
