

Hedge fund governance : evaluating oversight, independence, and conflicts

Scharfman, Jason, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20427042&lokasi=lokal>

Abstrak

Hedge fund governance : evaluating oversight, independence and conflicts summarizes the fundamental elements of hedge fund governance and principal perspectives on governance arguments. An authoritative reference on governance, it describes the tools needed for developing a flexible, comprehensive hedge fund governance analysis framework. Case studies and interviews with professional fund directors shine a bright light of pragmatism on this framework. The author's global analysis of more than 5,000 hedge fund governance structures enables him to draw realistic conclusions about best practices. He also explores the value consequences of good vs. bad governance, estimating the actual dollar losses that can result from bad governance, as well as the operational and investment performance benefits of certain governance practices.
