

Finance : a quantitative introduction. Volume 1 / Piotr Staszekiewicz,
Lucia Staszekiewicz

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20427127&lokasi=lokal>

Abstrak

Many students want an introduction to finance. Those who are quantitatively-oriented learners can benefit in particular from an introduction that puts more emphasis on mathematics and graphical presentations than on verbal descriptions. By illustrating core finance facts and concepts through equations and graphical material, Finance : a quantitative introduction can help people studying business management, marketing, accounting, and other subjects.
