

Manfaat kecerdasan kultural bagi kepemimpinan lintas budaya

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20428385&lokasi=lokal>

Abstrak

People with different culture have different habit, behaviour, values, and belief. In this globalization, leaders are not just leaders, but leaders are transcultural leaders because they have to work with people from different culture. In that consideration, leaders must have cultural intelligence to be an effective leader.
