

Tinjauan Pelaksanaan Gadai Tanah pada Masyarakat Semendo di Desa Kebun dalam Lampung Utara

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20428629&lokasi=lokal>

Abstrak

When someone needs a sum of cash money urgently, he is able to make a land transaction by way of selling by pawn. According to adat law, sell by pawn is to give his land to another as security for his loan., after a certain period the land owner pays his loan and reobtain his land. in research location, sell by pawn of adat law is still in force based on the principle of mutual assistance among the community members. Conflict of sell by pawn will always be settled by holding discussion to reach an agreement.
