

Hakikat Manusia Dan Potensi Ruhaninya Dalam Pendidikan Islam : Sebuah Kajian Ontology

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20428707&lokasi=lokal>

Abstrak

Human being is actually a combination of some inseparable parts such as body and mind. If one of the parts is missing, such creature is not a human being anymore. To reach a comprehensive human being or it also called as insan kamil, an education is a must. Through education, the balanced role between body and mind can be attained
