

Pengawasan Dalam Manajemen Pendidikan

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20428710&lokasi=lokal>

Abstrak

Among the functions of management, the function of control is very important. At this point, a manager should make an evaluation if the set up goal has been reached or not. If not yet, a manager should lead the people to make a reflection about the possible reasons for why the goal is not reached yet
