

Job-oriented CBT: training technology

Boyd, Susan, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20428871&lokasi=lokal>

Abstrak

Do you sometimes think that your learners are not transferring their software skills for use on the job? This Infoline explains the steps needed to provide a job-oriented approach to software training plus follow-up training. It includes suggestions for adapting this approach for diverse groups and sample forms and checklists.
