

Accelerated learning: training basics

Fairbanks, Deborah M., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20429051&lokasi=lokal>

Abstrak

The challenge to do more with less and in less time is the mantra of every organization. Accelerated learning is the training professionals answer to this business reality. This Infoline offers you a short course in the principles, process, and techniques of accelerated learning. You will learn how to use whole brain techniques that allow learners to acquire information and skills more efficiently and to retrieve, recall, or respond with confidence.
