

Effective distance learning: training technology

Thach, Elizabeth C., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435455&lokasi=lokal>

Abstrak

Distance learning is well established as a learning methodology, but how do you effectively implement its use in your organization? This Infoline provides a solid basis for implementing distance learning by offering not only a clear explanation of its benefits and uses, but also a solid plan for implementing distance learning. You will find a section on design and technology analysis, but also tips and guidance on development, implementation, and evaluation. A technology decision assessment instrument is included.
