

The management development process: management development

Russell, Susan, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435636&lokasi=lokal>

Abstrak

This Infoline presents a process for strategic management development including strategy definition, program design, and evaluation technique. The issue describes managerial competencies and roles associated with management. Inside you'll find a case study of the New York Metropolitan Transportation Authority.
