

Strategic planning for human resource development: management development

Gilley, Jerry W., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435673&lokasi=lokal>

Abstrak

Apply the strategic planning process to your HRD program with the tools and strategies in this Infoline. A flow chart outlines the process and step-by-step guidelines help you develop an environmental analysis, establish goals and objectives, and create an action plan.
