

Small change, big problems: detecting and preventing financial misconduct in your library

Snyder, Herbert, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435882&lokasi=lokal>

Abstrak

Fraud requires three conditions: financial need, rationalization, and opportunity. Lax or nonexistent financial management, along with an "it can't happen here" attitude, create the quintessential fraud opportunity waiting to happen in many libraries.
