

Plan of work: multi-disciplinary services

Phillips, Roland, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20436480&lokasi=lokal>

Abstrak

The 'RIBA Outline Plan of Work' has become the de facto standard framework used throughout the construction industry for running a job from inception to completion. To reflect recent changes in practice and legislation it was updated in 2007 and provides the framework for the activities in the schedule of services.
