Sarah Lupton's best-selling Guide comes fully revised for JCT 2011, to provide the most up-to-date authoritative working aids to the operation and administration of the main JCT Design and Build Contract 2011.

It provides a comprehensive analysis of the respective form in light of today's legal and practice landscape, pointing out all the recent developments and changes to each contract and providing illuminating and up-to-date cases as valuable lessons to the unwary.

The contract's provisions, procedures and supplementary conditions are organised into the key practical topics - such as 'documents', 'programme', 'payment', and 'insurance' - providing the hard-pressed practitioner with a comprehensive and concise reference guide for specific guidance during the course of the job.
