

Good practice guide: building condition surveys

Hoxley, Mike, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20436628&lokasi=lokal>

Abstrak

This "Good Practice Guide" introduces the core knowledge and essential skills needed to undertake building condition surveys. Concentrating on the private homes sector - the source of most surveying work in the UK - and based on a lifetime of practical experience, it begins by providing a helpful summary of many frequently confused terms, before taking the reader through the key steps of a professional building condition survey.
