Zuhelma

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437416&lokasi=lokal>

Abstrak

learning is changing attitude. at school, students learn various kinds of subject, one of them is art. teacher often gets difficulties in teaching and learning process since not all students have their own motivation to learn art, especially, applied art. At the end of the research, the writer hopes that the learning result will improved when the students learn in group , especially, in applied art subject.
