

Making psychology a household word: Just for kids

Lamia, Mary C, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437760&lokasi=lokal>

Abstrak

Forums where children and preteens are engaged in a discussion with a psychologist can convey that psychologists understand emotions and behavior and empathically respond to human experiences. Kidtalk with Dr.Marry-The call-in talk show just for kids is one such medium created to promote emotional awareness and social competency in young people.
