

The need for continuing education in ethics as reported by rural and urban mental health care providers

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437861&lokasi=lokal>

Abstrak

Continuing professional education (CPE) sponsors planning events for mental health care licenses can assure better attendance if they can successfully address the needs of their target audience. Offering topics of interest is particularly crucial when CPE events need to draw large numbers of attendees to be financially variable.
