

Executive coaching and consulting : “Different strokes for different folks”

Berman, William H, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20437937&lokasi=lokal>

Abstrak

Increasing frustration with the politics and economics of traditional mental health care has led many psychologists to consider shifting to or adding executive coaching as a core competency in their practices. Experience with work-related issues in clinical practice makes this appear to be a logical extension of traditional clinical and counseling work.
