

Learning unplugged: using mobile technologies for organizational training and performance improvement

Gayeski, Diane, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438122&lokasi=lokal>

Abstrak

"Wireless technologies are changing the nature of organizational training, performance management, and collaboration. From smart cell phones and PDAs to webpads and wearable devices, one-time curiosities are now indispensable business tools. Featuring case studies and interviews, Learning Unplugged shows how to implement these technologies, and shows how applications can be adapted for use in different environments and situations.
