

Project management step-by-step

Richman, Larry, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438135&lokasi=lokal>

Abstrak

This volume explores the basics of implementing a project-management model and encourages critical thinking about how project management can help a company accomplish its business objectives. The book offers explanations of different project phases and includes six case studies that show how project management works in the real world. This book is consistent with the updated Project Management Body of Knowledge.
