

Landscape design documentation : strategies for plan checking and quality control

Mcdonald, Brian Thomas

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438184&lokasi=lokal>

Abstrak

Errors & Omissions identifies the most common errors and omissions on landscape architectural documents and provides practical and helpful checklists and guidelines for minimizing these oversights. It also illustrates a procedural framework for plan checking in order to improve the overall quality and content of documentation.
