

The e-privacy imperative

Merkow, Mark S., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438291&lokasi=lokal>

Abstrak

This work shows companies how to ensure a customer's right to privacy, and protect their businesses in the process, through technology practices and information handling. Having superior privacy policies and practices is a way for companies to gain a competitive edge in the e-commerce world.
